KPLD patrons may have $5.00 or less in fines on the card and still have a valid card.

1.2. Fees:

A. RESIDENTS: There is not a charge for obtaining a Kewanee Library Card. If a patron loses his/her card, the fee charged for replacing the lost card with a new card will be:

   Lost card: $1.00

B. NON-RESIDENTS: Non-residents may obtain a card if they live in an unserved area. The fee for this card is $230.00 per year.

1.3. Registration:

A. ADULT: Ask the patron if they are a resident of the Kewanee Public Library District. If they are a resident, ask if they have any identification with their picture and address (driver’s license/picture I.D./State I.D.) and another form of identification with their name and address (bill, lease, checkbook, canceled mail, etc.). When they have shown proper identification, have them fill out the registration card as fully as possible, showing place of business with address and phone number.
B. YOUTH: Youth of the Kewanee Public Library District may obtain a Kewanee Public Library Card when they are in kindergarten. Youth ages 13-17 may obtain a Student card. All youth under 18 years must be accompanied by a parent or guardian when they register and the parent or guardian must sign for the child’s card. The Public Library does not deny a child a library card even though his/her parents have an invalid or delinquent card.

D. PERSONAL REFERENCE:

1. Adult: An adult patron should give a personal reference; a neighbor, friend, or adult not living with them. Husband and wives should not give their spouses as a reference. 1.6. Suspension of Borrowing Privileges: The borrowing privileges of a library patron will be suspended for such time as the patron or any member of the patron’s immediate family (spouse, child, parent or sibling) living at the patron’s address is indebted to the library as a result of damage to library property or for failure to timely return book, material or other personal property to the library. 1. No poster, display, pamphlet, brochure, leaflet or booklet shall be exhibited, displayed or placed in the library for distribution without permission from the Director.

Such displays shall be on a “first-come, first-served” basis.

4. The Library assumes no responsibility for the preservation, protection, or possible damage or theft of any item displayed. All things placed in the Library are done so at the owner’s risk.

5. Dated materials will be removed the day after the event. Other display materials must be removed within one (1) week after the display time ends or the Library will dispose of materials.
ARTICLE IX

CONFIDENTIALITY OF LIBRARY RECORDS

KEWANEE PUBLIC LIBRARY DISTRICT

KEWANEE, ILLINOIS

Policy on Confidentiality of Library Records

All circulation records and other records identifying names of library users with specific materials are confidential in nature.

This is in accordance with the Confidentiality Act. The card holder is the only person, regardless of age, that has access to the information on his/her record.

Such records shall not be made available to any agency of state, federal or local government except pursuant to such process, order, or subpoena as may be authorized under the authority of, and pursuant to, federal, state, or local law relating to civil, criminal or administrative discovery procedures or legislative investigatory power.
ARTICLE X
CODE OF CONDUCT / RULES OF CONDUCT

10.1. Code of Conduct

CODE OF CONDUCT

The Kewanee Public Library District offers an environment which is conducive to reading and study.

People using the Library are to conduct themselves in a manner which is appropriate to the Library’s nature and purpose.

Anyone who interferes with the proper use of the Library by other patrons, or abuses Library property or materials, is subject to removal from the Library and/or restriction of library privileges.
10.2.  Library Rules of Conduct

The Board of Trustees believes that patrons of the Kewanee Public Library District have the right to use the library materials and services without being disturbed or impeded by other library users; that patrons and staff have the right to a secure and comfortable environment; and that patrons and staff have the right to materials and facilities that are in good condition.

RULES OF CONDUCT

1. Any behavior that is disruptive or that hinders use of the library is prohibited on library property. This includes, but is not limited to, loud or boisterous behavior, verbal or physical harassment, running and congregating in large groups. 5. Food and beverages with lids are allowed in the library.

6. Smoking and e-cigarettes are not permitted in the library.

7. Clothing appropriate for public facilities is required.

8. Parents are responsible for the behavior of their children while they are on library property. Children under the age of seven (7) must be accompanied by a parent or other responsible caregiver at all times while on library property.

10.3. Supervision, Safety and Behavior of Children in the Library

The library strives to be a pleasant place for all children to visit and use its many resources. The library is a busy public facility, however, and library staff members do not function in loco parentis (i.e., in the position or place of a parent) or as substitute caregivers.

Staff cannot assume responsibility for the supervision, safety, and entertainment of children who use the library, except within the limited context of defined library programs. This responsibility must be borne by the child's parent, guardian, or designated caregiver and cannot be ceded to-- or forced upon--the library staff.

The Board believes that the following policies are in the best interests of all concerned: young library users, their parents, guardians, or caregivers, other patrons and the library staff.

1. Children under 7 years of age must be accompanied and closely supervised by a caregiver (an adult or responsible adolescent, fifteen years or older) who assumes full responsibility for the children's safety and behavior in the library. If the caregiver attendance is not required for a library sponsored youth program, the caregiver must remain in the library and be readily available in case he or she is needed.

2. Unattended children 7 and older are free to use the library provided they respect the rights and safety of others by observing all of the policies which govern library use.

3. Children left alone must be able to contact a responsible person in case of an emergency or for transportation needs.

4. Children must be picked up by closing time.

5. Parents/guardian will be contacted when a child under 7 years of age is unaccompanied by an adult, or when a child under 13 years of age is not picked up at closing time. If a responsible adult cannot be reached, the Kewanee Police Department will be alerted to handle the situation.

INTERLIBRARY LOAN POLICY STATEMENT

I. Definition

Interlibrary loans are transactions in which materials are made available from one library to another upon request. An Interlibrary loan is defined as a transaction in which the material moves from library to library.

When patrons want material the Kewanee Public Library District does not own, we ask other libraries to provide it. This is the process of interlibrary loan. Materials borrowed through interlibrary loan have a circulation period which is determined by the lending library. We are happy to borrow materials from other libraries for you, but we ask that you respect the date by which those materials must be returned to their home libraries.

The Kewanee Public Library District will loan all of its materials except Reference materials.

II. Scope

1. Interlibrary loan services are governed by the 2015 Interlibrary Loan Code for Illinois and the National Interlibrary Loan Code, 2015.

2. Each library is responsible for developing collections in response to local needs. Interlibrary loan is not a replacement for responsible collection development.

3. Any type of library material needed for the purposes of study, instruction, information, recreation or research may be requested from another library.

4. The lending library may decide whether a particular item should or should not be provided and whether the original or a copy should be sent.

5. Libraries shall not request types or formats of materials which they own but do not make available to other libraries through interlibrary loan.

6. On an annual basis, as requested by the State Library, the library will complete a statistical report of interlibrary loan activities.

III. Responsibilities of Borrowing Libraries

1. The borrowing library is responsible for compliance with the copyright law (Title 17, U.S. Code) and its accompanying guidelines, and shall inform its users of the applicable portions of the law. An indication of compliance shall be provided with all copy requests.

2. Requesting libraries shall use their own resources before initiating interlibrary loans request.
3. Materials requested shall be described as completely and accurately as possible. Before a request is submitted, verification should be attempted. Libraries may attempt to verify requested titles in a specific discipline’s equivalent.

4. The borrowing library shall honor the lending library’s conditions of loan. The borrowing library shall convey these conditions to the patron.

5. Unless specifically forbidden by the lending library, the borrowing library may copy materials; provided this does not violate copyright laws and no damage to the original material will result.

6. The borrowing library is responsible for returning loans promptly, the safety of materials and all repair or replacement costs in accordance with the policy of the lending library.

IV. Responsibilities of the Lending Library

1. Library shall implement liberal lending policies with due consideration for the needs of their primary clientele.

2. Lending library shall initiate processing of requests within one working day of receipt and shall complete the transaction within three working days of receipt.

3. The lending library shall notify the borrowing library promptly if material is not being sent.

4. The lending library shall notify the borrowing library of dates and duration of loans on the materials, special handling provisions and shall notify the borrowing library of the overdue policies.

5. The lending library is responsible for informing the borrowing library of any failure to observe the provisions of this policy.

V. Fees

1. Library may not charge service fees or delivery fees for the loan of items to other RAILS libraries.

2. Library is encouraged to absorb the costs of providing photocopy service but may charge fees for copies.

3. Library may charge for special delivery handling (i.e., Federal Express delivery or Express service - 24 hour delivery of item or fax delivery).

VI. Violation of Responsibilities: Procedures

Continued disregard of the provisions of this policy statement shall be sufficient reason for suspension of borrowing privileges with RAILS and ILLINET.
1. In the event of a RAILS member library’s continued disregard of this policy statement, the two RAILS members involved should attempt to resolve the issue directly.

2. If the RAILS members are unable to resolve an issue directly, a written complaint of a policy violation should be forwarded to RAILS. Any suspension will take place after due process which will include review by RAILS staff.

3. Suspension of a library’s ILLINET privileges shall be reviewed by the State Librarian in accordance with System Rules and Regulations.

VI. InterLibrary Loan Code, 2015

**ILLINET INTERLIBRARY LOAN CODE**

The ILL Code, approved by the ISL Advisory Committee, endorsed by the Illinois Library Systems, and adopted by the ISL governs interlibrary loan policy within ILLINET. The ILL Code is based on the most current American Library Association (ALA) Interlibrary Loan Code for the United States. Through 15 ILCS 320/7(f) and 23 Ill. Adm. Code 3030.215(e), the ISL administers, Illinois library systems monitor and enforce, and ILLINET member libraries abide by the ILL Code.

I. Definition

Interlibrary loan is the process by which a library requests material from, or supplies material to, another library. Whether initiated by library staff or patron, the purpose of interlibrary loan is to obtain, upon request of a library patron, material not available in the patron's local library. The terms "requesting library" and "supplying library" are used in preference to "borrowing library" and "lending library" to cover the exchange of copies as well as loans. Circulation of materials between a central library and its branches or within a school district is not considered interlibrary loan.

II. Scope

1. The ILL Code governs interlibrary loan among ILLINET member libraries.
2. Any type of library material needed by an individual for any purpose, including but not limited to study, instruction, information, recreation or research, may be requested from another library.
3. Any materials, regardless of format, may be requested from another library. The supplying library determines whether the material can be provided.
4. Interlibrary loan outside of ILLINET, governed by national, international or other applicable interlibrary loan codes, is not within the scope of this document.
5. Reciprocal borrowing is not within the scope of this document.

III. Ethics and Responsibilities of ILLINET Member Libraries

1. Interlibrary loan is a mutual relationship, and libraries are strongly encouraged to supply materials as freely as they request materials.
2. Each library shall develop collections in response to local needs. Interlibrary loan is an adjunct to, not a substitute for, collection development in individual libraries.
3. To expedite State and nationwide resource-sharing initiatives, every ILLINET member library shall strive to enter and maintain its collection and holdings in a regional, statewide and/or national bibliographic database.
4. Each library shall offer and promote the availability of interlibrary loan service to its patrons.
5. Personnel responsible for interlibrary loan in each library shall be familiar with relevant interlibrary loan documents and aids, including interlibrary loan codes and procedures, bibliographic tools, and services.
6. Libraries shall comply with current Copyright Law (17 USC) governing both print and digital resources.
7. Each library shall ensure the confidentiality of the patron (see the Library Records Confidentiality Act [75 ILCS 70]).
8. Each library shall annually review and update its profile in the Resource Sharing Directory in Library Learning (L2) and, if applicable, the Online Computer Library Center (OCLC) Interlibrary Loan Policies Directory.
9. Each library shall have its borrowing policy readily available.
10. Each library shall clearly identify its materials with a current ownership mark.
11. Each library shall collect and annually submit its interlibrary loan statistics to the ISL.

IV. Rights and Responsibilities of the Requesting Library
1. The requesting library shall be responsible for compliance with the Copyright Law and its accompanying guidelines, and shall inform its patrons of the applicable portions of the law. An indication of copyright compliance shall be provided with all requests for photocopies.
2. The requesting library shall be responsible for identifying libraries that own the requested material. The requesting library shall be responsible for checking the policies of potential suppliers for restrictions, special instructions and information on fees prior to sending a request.
3. The requesting library shall avoid repeatedly sending the majority of its requests to a few selected libraries. However, each library has the right to determine the best source for the requested material.
4. Requested items shall be cited completely and accurately. The requesting library shall transmit all interlibrary loan requests in standard bibliographic format in accordance with the protocols of the electronic network or transmission system used. In the absence of an electronically generated form, the elements of the ALA Interlibrary Loan Request Form shall be used.
5. The requesting library shall indicate on the request when items cannot be verified and/or located, using “cannot verify” or “cannot locate”. The source of reference shall also be indicated on the request.
6. The requesting library shall honor the supplying library's conditions of loan, including observation of dates and duration of loans, recall notices, fees (if applicable), In-library Use Only and other special handling provisions. The requesting library shall convey these conditions to library patrons.
7. The requesting library shall be responsible for borrowed materials from the time the materials leave the supplying library until they have been returned to the supplying library. If damage or loss occurs, the requesting library shall be responsible for compensation, in accordance with the policy of the supplying library.
8. The requesting library shall be responsible for all fees authorized by section VIII (Fees) imposed by the supplying library. The requesting library shall be responsible for timely processing of payments related to the interlibrary loan transaction.
9. The requesting library assumes full responsibility for patron initiated transactions.

V. Rights and Responsibilities of the Supplying Library
1. Libraries are strongly encouraged to implement generous interlibrary loan lending policies with due consideration for the needs of their primary clientele.
2. The supplying library shall respond to all interlibrary loan requests within one working day (preferred), but no longer than three working days, after receipt.
3. The supplying library may return a request unfilled when bibliographic data and location are incomplete.
4. The supplying library shall send a copy of the request or sufficient information to identify the request, along with any materials provided.
5. The supplying library shall notify the requesting library of dates and duration of loans for the materials, renewal policies, and In-library Use Only restrictions.
6. The supplying library has the right to recall its material at any time.
7. The supplying library shall send any invoices for charges incurred within one year after the due date of the item.

VI. Rights and Responsibilities of the Library System
The library system shall:
1. Maintain a current resource sharing policy that encourages cooperation among all types of libraries in promoting the sharing of library resources via a variety of service methodologies, including interlibrary loan, and is compliant with current Illinois library law and administrative rules.
2. Employ library system staff to consult with member libraries about offering, promoting and improving local interlibrary loan service.
3. Foster interlibrary loan partnerships and collaboration at the local, regional, system wide and statewide levels.
4. Offer, on a recurring schedule, interlibrary loan continuing education and training opportunities that meet member libraries' needs.
5. Facilitate access to current interlibrary loan information and resources via the library system's website.
6. Ensure member libraries are compliant with the annual submission of the ISL's ILLINET Interlibrary Loan and Reciprocal Borrowing Survey, a tool that collects interlibrary loan statistics.
7. Provide efficient and effective delivery service methodologies that ensure timely receipt of materials to meet patrons' needs.
8. Monitor member libraries interlibrary loan service to ensure adherence to and compliance with the ILL Code.
9. Serve as the mediator, as prescribed by the ILL Code (Section XI), to resolve perceived violations of the ILL Code.

VII. Rush and Urgent Requests
1. "Rush" service requests are those in which the requesting library designates the request to be "Rush" and requires the item to be processed and sent within 24 hours/one working day.
2. "Urgent" service requests are those in which the requesting library designates the request to be "Urgent" and requires the item to be processed and received in fewer than 24 hours/one working day.
3. Requesting libraries that need "Rush" or "Urgent" service requests shall contact the supplying library directly to negotiate conditions and fees.
4. An ILLINET member library may, by policy or on a case-by-case basis, choose not to offer "Rush" or "Urgent" service.
5. An ILLINET member library shall make its "Rush" or "Urgent" policies available upon request.

VIII. Fees
1. It is not allowable for either the requesting library or the supplying library to charge (the library or the patron) for ILLINET resource sharing transactions of returnable items, except as outlined in this section.
2. Libraries may assess fees (library or patron) for the provision of Rush or Urgent requests, as outlined in Section VII.
3. ILLINET member libraries are encouraged to absorb the cost of providing photocopies.
4. If a library chooses not to use the Library System Delivery service or the Illinois Library Delivery Service, the library shall negotiate alternate shipping conditions with the requesting/supplying library prior to shipment of the item.
5. Libraries shall not assess overdue fines to other libraries.
6. If damage or loss occurs, the requesting library is responsible for compensation in accordance with the policy of the supplying library.

IX. Delivery
1. Primary shipping and transmission:
   a. Returnables: Every ILLINET member library shall use either the library system delivery service or the ILDS as their primary shipping service for "returnables" within Illinois.
   b. Non-returnables: Every ILLINET member library shall transmit non-returnable items electronically; however, they shall use alternative options when electronic transmission capabilities are impractical or unavailable.
2. Every ILLINET member library, using either the Library System Delivery service or the ILDS, shall comply with the USPS Private Express Statutes (39 CFR 310.3(a)) and the Letters Carried out of the Mail (39 USC 601(a)). Refer also to the Secretary of State's memorandum "Delivery of Library Materials", November 27, 2012, as the guidelines for determining delivery compliance.
3. Materials shall be packaged to prevent damage or loss in shipment. The supplying library shall notify the requesting library of any special packaging and shipping requirements. The requesting library shall comply with the requirements as stipulated.
4. If the supplying or requesting library chooses not to ship materials via the library system delivery service or ILDS, the libraries shall negotiate alternate shipping methods and conditions prior to shipment of the item.

X. Cooperative Agreements
1. ILLINET member libraries shall comply with the ILL Code.
2. ILLINET member libraries may enter into mutually beneficial cooperative agreements in order to meet the needs of their primary clientele. These agreements do not supersede the ILL Code, except as prescribed in subsection 3 of this section.
3. Interlibrary loan periods established by ILLINET member libraries through a cooperative agreement are permissible but only apply to those ILLINET member libraries covered under the agreement.

XI. Violation of the ILL Code
1. When violations of the ILL Code initially occur, these procedures shall be followed:
a. Library A shall inform Library B about the violations and Library B's failure to comply with the ILL Code.
b. Library B is responsible for responding to all notifications on a timely basis and working towards resolution.
c. Both Library A and Library B shall document all exchanges.
2. Library A may suspend the interlibrary loan privileges of Library B if Library B fails to correct violations of the ILL Code after having been informed of the violations.
a. Such action requires written notification by Library A to Library B, specifying the violations, the terms and duration of the suspension, and a course of action in compliance with the ILL Code that would restore borrowing privileges. A copy of all documentation shall be sent to the library systems of both libraries.
b. Library A is responsible for reviewing ongoing circumstances and evaluating reinstatement of Library B's suspended interlibrary loan privileges. Reviews shall be completed on a quarterly basis.
c. Library A shall provide written notification of the review and the ensuing decision to Library B and the library systems of both libraries.
3. If violations of the ILL Code continue, the following procedures shall be followed:
a. Either Library A or Library B shall request that its library system serve as mediator. The request shall be in writing and sent to the libraries and to the library systems involved.
b. The library system acting as mediator shall document:
i. The continued ILL Code violations, with copies sent to all libraries and library systems involved.
ii. Its role as mediator of the complaint, with copies sent to all libraries and library systems involved.
iii. Its negotiation efforts and the results of these efforts, with copies sent to all libraries and library systems involved.
c. Ineffective negotiations and continued disregard of the provisions of the ILL Code shall result in the initiation of the suspension process from library system membership (23 Ill. Adm. Code 3030.205).
d. The ISL shall act on the recommendation of the library system recommending suspension of system membership.
e. Library systems may initiate resolutions of the ILL Code violations independent of notification from member libraries.

GLOSSARY

ALA Interlibrary Loan Request Form — A form published by ALA and the National Information Standards Organization and used by a library to request an interlibrary loan from another library.

Borrowing Library — See Requesting Library.

Borrowing Privileges — The ability of a patron with a valid library card to check out (borrow) items from a library.

CCG (Copyright Clearinghouse Guidelines) — The requesting library's indication on a photocopy request that the request conforms to the CONTU "Guidelines for the Proviso of Subsection 108(g)(2)". CCL (Copyright Clearinghouse Legislation) — The requesting library's indication on a photocopy request that the request conforms to the U.S. Copyright Law (17 USC). Compliance means that the library subscribes to the journal or publication date of the article is more than five years old. No limit on the number of copies requested. The library is still subject to subsection 108(g)(2) of the copyright law that prohibits systematic photocopying of copyrighted materials in such aggregate quantities as to substitute for purchase of or subscription to the magazine.

Collection Development — The process of planning, selecting, weeding and building of resources in all formats needed by a library's community of patrons. This process is based on the individual library's collection development policy. Sometimes this is referred to as collection management.

Consortial Interlibrary Loan — ILL within a consortial shared catalog is facilitated by the library automation system software that authenticates patrons and ILL requests.

Consortium — A group of libraries formally organized to promote common interests and achieve common goals, of which interlibrary loan and resource sharing activities are typical examples.

CONTU Guidelines — The "Guidelines for the Proviso of Subsection 108(g)(2)", known as the CONTU Guidelines, were developed by the National Commission on New Technological Uses of Copyrighted Works to assist librarians and copyright proprietors in understanding the amount of photocopying/reproducing for use in interlibrary loan arrangements permitted under
the copyright law. See CCG.

**Cooperative Agreement** — A binding agreement between two or more parties.

**Copyright Compliance** — The requesting library is responsible for making certain that the interlibrary loan request conforms to the copyright law or the accompanying guidelines. A supplying library may choose to not process a request for a non-returnable item request if an indication of copyright compliance is not included. See CCG and CCL.

**Copyright Law** — The United States copyright law is contained in chapters 1 through 8 and 10 through 12 of title 17 of the United States Code. The Copyright Act of 1976, which provides the basic framework for the current copyright law, was enacted on October 19, 1976, as PL 94-553. Copyright law is intended to bring about a balance between the rights of creators and owners of copyrighted works and the needs of patrons of those works. Copyright law limits what may be copied, sold and distributed with and without the consent of the copyright owner. The rights of owners are enumerated in section 106, and the limitations on the owner's rights are listed in sections 107-118.

**Date Due** — Either the year, month and day by which the patron shall return the loaned item to the requesting library, or the period of time the item may remain with the requesting library, disregarding the time spent in transit.

**Direct Borrowing** — Direct borrowing implies an unmediated (library staff not involved in the process) patron-initiated request.

**Fair Use** — Fair use, described in section 107 of the U.S. Copyright Law, permits limited uses of copyrighted works by individuals who do not own the copyright to the work. The four criteria used to determine fair use are: the purpose of the use; the nature of the copyrighted work; the amount of the work used; and the effect of the use on the potential market.

**FAX** — Electronic transmission of text or graphics using telephone lines.

**Fee** — A charge for services. This includes, but is not limited to, shipping and handling charges, charges for damage to items, and replacement and/or processing charges for lost items.

**Fine** — A charge to the patron for late return of a borrowed item.

**ILDS (Illinois Library Delivery Service)** — The statewide vehicular delivery service, funded by the Illinois State Library, that provides delivery each week to library system headquarters and designated facilities, eligible academic members and the Illinois State Library in order to facilitate the rapid delivery of books and other library materials throughout the State.

**ILLINET** — The Illinois Library and Information Network, which consists of the library systems, their full member libraries and the Illinois State Library.

**ILLINET Member Library** — A library that is a full member of a library system.

**In-Library Use Only** — Materials designated by the supplying library as "inlibrary use only" shall be used only within the requesting library. These items may not be removed from the library.
**Interlibrary Loan** — The process by which a library requests material from, or supplies material to, another library. Whether initiated by library staff or patron, the purpose of interlibrary loan is to obtain, upon request of a library patron, material not available in the patron's local library. Circulation of materials between a central library and its branches or within a school district is not considered interlibrary loan.

**Interlibrary Loan Transaction** — The complete process of an interlibrary loan that includes all steps from the initial request by the requesting library (or requesting library patron) through the receipt of the item by the supplying library. For non-returnables, the transaction includes all steps from the initial request through receipt by the patron.

**Intralibrary Loan** — The circulation of materials between a central library and its branches or between buildings within a school district.

**Lending Library** — See Supplying Library.

**Library Bill of Rights** — A declaration developed and available from the ALA that outlines library responsibilities and patrons’ rights to library services.

**Library Learning (L2)** — The online membership directory for ILLINET member libraries, which includes a staff directory and a resource sharing directory. L2 is home to a statewide calendar and registration service for meetings and other continuing education events in the State.

**Library System Delivery** — Dedicated delivery systems operated by the individual library systems for their members. Systems may operate the delivery service or may subcontract for it.

**Local Library System Automation Program** — An integrated library system open to membership by full library system members of all types developed by or receiving financial or in kind support from a library system.

**Multitype Library System** — Meets the requirements of 75 ILCS 10/2(1), serving a minimum of 150,000 inhabitants or an area of not less than 4,000 square miles and serving a minimum of 10 or more public libraries, elementary and secondary school libraries, institutions of higher education libraries, and special libraries.

**National Information Standards Organization (NISO)** — Organization credited by the American National Standards Institute. NISO is "where content publishers, libraries, and software developers turn for information industry standards that allow them to work together. Through NISO, all of these communities are able to collaborate on mutually accepted standards". ANSI/NISO Z39.83 is the standard for NISO Circulation Information Protocol (NCIP).

**Non-returnables** — Materials that the supplying library does not expect to have returned.

**Patron** — Individual who initiates an interlibrary loan request. Other synonymous terms include client, customer, end patron and library patron.

**Primary Clientele** — A library's patron group, defined locally by each library and as described in the library's mission statement, e.g., taxpayers, students and faculty, or local community.
Public Library System — A public library that serves a city of over 500,000 population and is established as a public library system under the Illinois Library System Act.

Reciprocal Access — How the resources of all full member libraries of a library system are made available to all patrons within the system area. Reciprocal access benefits should be imposed equally among all reciprocal access patrons and can include information passports, interlibrary loans, photocopy service, reference service, use of library materials on site, courtesy cards and other services. The library governing authority may approve reasonable restrictions related to computer access, library programs and meeting room use.

Requesting Library — The library that initiates an interlibrary loan request on behalf of a patron or permits direct borrowing.

Resource Sharing — Making the collections of one library available to the patrons of another library efficiently and effectively. Resource sharing encompasses the technical capabilities, staff expertise and policies necessary to achieve that objective. Resource sharing incorporates activities related to automated discovery tools (including bibliographic library databases), collection management, bibliographic description, delivery, interlibrary loan, reciprocal access and reciprocal borrowing. Resource sharing is a core system service.

TEST PROCTORING

General Proctoring Policy

As part of our support for life-long learning, the Kewanee Public Library District provides free proctoring of written or online exams during regular library hours.

The proctor will be a staff member on duty at the time of the exam. The Director will serve as the contact person for all exams and sign off on any proctor or exam forms. An online test will be proctored by the Information Services Department Head.

The library will provide space to take the exam, and a public access computer for online exams. The library cannot guarantee a quiet environment or constant supervision of the student.

All proctoring must be pre-arranged.

The library is not responsible for exams sent without prior arrangements.

It is the student’s responsibility to contact the library and make an appointment to have a test proctored at a mutually convenient date and time.

The library is not responsible for any exam deadlines.

The student is responsible to provide the proctor approval forms or requests for proctor information.

The student is responsible to arrange for the delivery of the exam or proctor password to the library. Exams and/or passwords may be mailed, faxed or emailed to test proctor and passwords must be received before a proctored exam can be scheduled.

Completed exams are returned directly to the testing institution by fax or USPS mail.

The student should provide a stamped, addressed envelope for returning the exam if one is not provided by the institution.

If there is a time restraint, the student may bring in a pre-paid USPS Priority Mail envelope or a pre-paid USPS Flat Rate Express Mail envelope. The library is unable to honor requests requiring special trips to the post office, FedEx or UPS.
Online tests requiring access to a non-standard Internet port cannot be proctored at the library, nor any exam requiring the installation of software on the library’s computers.

Librarians will not grade examinations.

Unless other arrangements have been made, untaken exams will be held a maximum of three months.

The library cannot guarantee that technical problems will not occur during online exams.

PROCEDURES

The student must contact the Director to request proctoring services before having an examination sent by the testing institution. The library requires the student’s name, phone number, email address, name of the course and testing institution.

The student will provide any forms for proctor information required by the testing institution and will have the test or password sent to the library contact.

The library will contact the student when the examination or password is received. An appointment to take the exam will then be scheduled.

The student should come prepared with pens, pencils, erasers, scratch paper, calculators or any other supplies required for the exam. The student will be asked to show a photo ID for verification.

The student will relinquish any cell phones, textbooks, laptops, blackberries, etc. while testing unless use is required for the exam. These items will be held at the desk.

The completed exam will be faxed or mailed to the testing institution. The library will not copy the completed exams. The exam will normally be mailed the following day. The library is not responsible for exams once they leave the building.

REAL ESTATE EXAMS

The library does not stock copies for real estate continuing education. The test or proctor password must be sent to the library.

Exam appointments will not be scheduled until the exam or password has been received.

Library Photography and Video Policy

The library district has significant interest in maintaining an environment that allows patrons to freely access library information and resources. This significant interest requires the library district to maintain policies that protect the privacy of its patrons and staff members and ensures their freedom from harassment, intimidation, and threats to their safety and well-being. In order to provide appropriate safeguards against such behavior and enforce policies and procedures addressing that behavior when it occurs, the library district has adopted the following policy regarding the taking of photographs or videos inside the library building.

I. General Policy

Permission is not required for taking photographs or videos in public areas of the library building for personal, noncommercial use if no tripods, lights, or other specialized equipment is used. However, there may be library locations and/or exhibition areas where the taking of photographs or videos is restricted or prohibited (i.e., restrooms, rooms reserved for nursing, child care areas, museum artifacts, and archival materials). Taking photographs or videos of, or in, areas reserved for staff use only is also prohibited. If tripods, lights, or other specialized equipment is to be used, requests must be made at least 24 hours in advance. Persons taking photographs and videos shall not (i) compromise a patron or staff member’s right to privacy, (ii) harass, intimidate, or threaten a patron or staff member, or (iii) block library aisles, walkways, stairwells, doors, or exits.

II. Exterior Photography and Videos

Taking photographs and videos outside of the library building and/or of the library grounds does not require permission. However, the activity may not impede the ingress or egress of patrons or staff to or from the library building.

III. Commercial Photography and Videos

The library district may permit use of its facilities for the taking of commercial photographs or videos if the project does not interfere with the mission of the library district and is in accordance with the rest of this policy. The library district will charge a fee to offset costs incurred by the library district to provide access to the facility and prior permission must be sought at least one week in advance.
IV. Photography and Videos of Materials and Resources

The library district permits the taking of photographs and videos of its publicly-available collections. However, patrons are solely responsible for obtaining consent or other permission when taking photographs or videos of copyrighted materials.

V. Library Photography, Videos, and Recording

The library district may take photos, videos, and audio recordings at the library and during library events to use in its publicity materials and on its website and social media sites. The library district reserves the right to document its services and the public’s use of the library building and grounds. These photographs, videos, and audio recordings may be copied, displayed, televised, and published (including on any library website or social media site). Any individual that does not wish the library to use a photograph or video of them or their child should inform a library staff member prior to or while such photographs or videos are being taken.

VI. Library Board Meetings

Pursuant to Section 120/2.05 of the Illinois Open Meetings Act (5ILCS 120/1et seq.), any person may record the proceedings of the Library Board and other meetings required by the Act to be open to the public. The recordings may be made by tape, film or other means and shall not disrupt the meeting or create a safety hazard.

VII. Liability

Persons involved in taking photographs or videos are solely liable for any injuries to persons or property that result from their activities on library property. They also have sole responsibility for obtaining all necessary releases and permissions required by law from persons who can be identified in any photograph or video or for copyrighted materials. The library district undertakes no responsibility for obtaining these releases or permissions.

VIII. Right Subject to Compliance

The library district reserves the right to ask any individual or group violating this policy to cease the taking of photographs or videos.
IX. Photographing and Recording

Kewanee Public Library District (KLPD) is a public facility and a person’s presence may be recorded or become publically known.

Photographing, filming and audio recording of Library programs is permitted provided that permission has been granted in advance by the presenter or the owner of any copyrighted material.

Equipment such as tripods, flash or high intensity lighting or microphones may not interfere with use of or attendance at the Library.

KPLD staff members or representatives may photograph and/or record programs and events for its own purposes. Please notify a Library staff member if you do not want to be photographed or recorded.
